BOARD OF PATENT APPEALS  
AND INTERFERENCES**

On December 30, 2002, applicants timely filed a Reply Brief (Paper No. 19) and a Request for Oral Hearing (Paper No. 18). The record does not contain a response from the examiner stating whether the Reply Brief (Paper No. 19) has been entered, and if entered, what effect the Reply Brief has on the pending rejections. See Section 1208.03 of the Manual of Patent Examining Procedure (MPEP) (8th Ed., Aug. 2001), which states:

Appeal No. 2003-0235  
Application No. 09/711,240

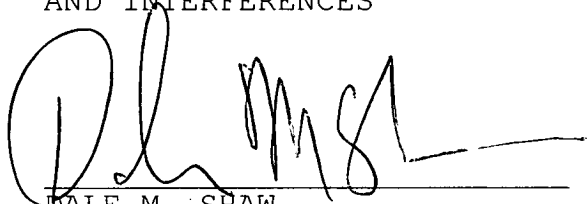

The primary examiner must then either: (A) acknowledge receipt and entry of the reply brief by using form paragraph 12.47 on form PTOL-90; or (B) reopen prosecution to respond to the reply brief. See MPEP § 1208.02.

Accordingly, it is

ORDERED that the application is remanded to the examiner for proper response to the Reply Brief, and for such further action as may be appropriate.

It is important that the Board of Patent Appeals and Interferences be informed promptly of any action affecting the status of the appeal (i.e., abandonment, issue, reopening prosecution).
